

# High School Improvement Plan 2017-2018

## **Gregg Ammons, Principal**

#### Goals

Goal 1: Olton High School will maintain and enhance student performance as measured by accountability standards. All student scores (including sub populations) will increase by 2%.

Goal 2: Olton High School will provide the curriculum and tools necessary to prepare students for continuing their education beyond high school by having 70% or more graduates take the SAT/ACT test; and of those, 50% or more will meet or exceed the criterion score.

Goal 3: Olton High School will provide a climate of mutual respect and collaboration among parents, staff, and students in effort to improve the Attendance Rate among all students and target population groups to increase by 1%.
