

OISD Highly Qualified Report for 2008-2009 and 2009-2010

OISD meets both components of NCLB Highly Qualified. The state requires that each school have 100% of its core area teachers deemed Highly Qualified and 100% of the core classes in the district taught by Highly Qualified teachers. OISD met both standards for the 2008-2009 and 2009-2010 school year as of the reporting deadline for 2009.
