Olton ISD Mission Statement

“Grow: Every Student, Every Adult, Every Day, Every Way”

District Beliefs:

We believe the following:

1. Every employee of the District is important to the success of our educational goals and objectives.
2. Education is a joint venture that requires the involvement of families, churches, and the community.
3. Open communication is essential to student success.
4. All stakeholders should demonstrate respect for self and others.
5. We must educate all students to reach their highest potential and become lifelong learners.
6. We should be innovative in the use of all our resources.
7. We must foster an environment which attracts and retains high quality personnel.
8. Discipline must be consistent and fair for all students.

We must inspire and enable all young people, especially those from disadvantaged circumstances, to realize their full potential as productive, responsible, and caring citizens.

Campus Mission Statement: “Grow: Every Student, Every Adult, Every Day, Every Way”

Academic Philosophy - The faculty and staff of HP Webb ES expects the campus to continually improve on the state's accreditation system known as TAPR(Texas Academic Performance Report). With an immediate goal - All local state assessment results will be at or above Region 17 and state averages for all groups. This will be accomplished by improving student performance each year, and ultimately reaching the highest state rating for the campus.

Vision Statement: The VISION of HP Webb ES is to BUILD THE FUTURE....ONE STUDENT AT A TIME.

Appendix A - OLTON ISD COORDINATED SCHOOL HEALTH

SB 892 Compliance

SB 892 states:

“Expands the required components of a campus improvement plan (CIP) for an Elementary, Middle, or Junior High to include goals and objectives for the coordinated school health program at the campus based on student fitness assessment data, student academic performance data, student attendance rates, the percentage of students who are academically disadvantaged, the use and success of any method to ensure student participation in the state-mandated moderate to vigorous physical activity, and any other indicator recommended by the local school health advisory council.”

Coordinated School Health (CSH)

CSH consists of eight components that focus on the most effective and efficient way to meet the needs of young people. The components incorporate cognitive skills, development of policies that support a positive and hazard-free environment, promote the opportunities for staff members to foster their own well-being, and encourage family and community members to promote the wellbeing of young people.
