Olton ISD Mission Statement

It is the mission of Olton ISD to provide equal opportunity of high quality education to all its students. To this end, the District will effectively and creatively use its talents, resources, and time to ensure that each student will be challenged to reach his or her highest potential. The ultimate goal of this District is to help students exit this institution with the knowledge, skills, and values necessary to be productive citizens with an enriched quality of life.

Board Mission Statement: The mission of the Board of Olton ISD is to ensure that the people in and affected by the institution have the opportunity to grow and become productive citizens of society. The trustees will delegate operational power, adopt policies, require accountability, evaluate patterns of operation, and ensure flexibility and competence. At all times the Board will maintain accountability to the taxpayers and residents of the District.

District Beliefs:

We believe the following:

1. Every employee of the District is important to the success of our educational goals and objectives.
2. Education is a joint venture that requires the involvement of families, churches, and the community.
3. Open communication is essential to student success.
4. All stakeholders should demonstrate respect for self and others.
5. We must educate all students to reach their highest potential and become life-long learners.
6. We should be innovative in the use of all our resources.
7. We must foster an environment which attracts and retains high quality personnel.
8. Discipline must be consistent and fair for all students.

We must inspire and enable all young people, especially those from disadvantaged circumstances, to realize their full potential as productive, responsible, and caring citizens.

Campus Mission Statement: HP Webb ES will improve the academic performance of each student.

Academic Philosophy - The faculty and staff of HP Webb ES expects the campus to continually improve on the state's accreditation system (AEIS). With an immediate goal - All local state assessment results will be at or above Region 17 and state averages for all groups. This will be accomplished by improving student performance each year, and ultimately reaching the highest state rating for the campus.

Vision Statement: The VISION of HP Webb ES is to BUILD THE FUTURE....ONE STUDENT AT A TIME.

Goals and Objectives - CIP Executive Summary -

Goal I – **HP Webb ES will** support all district goals.

Appendix A - OLTON ISD COORDINATED SCHOOL HEALTH

SB 892 Compliance

SB 892 states:

“Expands the required components of a campus improvement plan (CIP) for an Elementary, Middle, or Junior High to include goals and objectives for the coordinated school health program at the campus based on student fitness assessment data, student academic performance data, student attendance rates, the percentage of students who are academically disadvantaged, the use and success of any method to ensure student participation in the state-mandated moderate to vigorous physical activity, and any other indicator recommended by the local school health advisory council.”

Coordinated School Health (CSH)

CSH is comprised of eight components that focus on the most effective and efficient way to meet the needs of young people. The components incorporate cognitive skills, development of policies that support a positive and hazard-free environment, promote the opportunities for staff members to foster their own well-being, and encourage family and community members to promote the well-being of young people.
