Olton is an EE-12 district with three campuses. The enrollment is 660 students and the low income rate is 71.59%. The district received an Academically Acceptable rating for 2010-11. Webb Elementary was Recognized campus. The High School and Jr. High campuses were rated as Academically Acceptable. The Completion Rate must be at least 75% and an annual dropout rate of 1.6% or less.

### **Student Strengths and Needs**

#### **Adequate Yearly Progress—Federal Accountability**

The District, Olton High School and H.P. Webb Elementary met AYP. Olton Jr High did not meet AYP. AYP is similar to the state accountability but also includes two additional target populations—Special Education and Limited English Proficient. All students and each student group must meet STAAR/EOC standards.

#### **Performance Based Monitoring (PBM)—Performance Bases Monitoring Analysis System Reports (PBMAS)**

**For multi year performance results from the state, refer to charts in this section.** Areas for improvement are in Special Education indicators of identification of students; placement of students in least restrictive environments for 3-11; and exemptions from state assessments. Strategies to correct problems in these areas will be a focus of the District.

#### **State Accountability**

See TAKS/STAAR/EOC Charts for student scores for 2009-2011 for the panel recommended/ rigorous STAAR/EOC standards.

### **Staff Strengths and Needs**

#### **Highly Qualified Teachers**

Since 2007, OISD has had all teachers 100% highly qualified.

Parent conferences are held each year at all campuses. Parents are informed of state assessments and required proficiency levels.

## OLTON INDEPENDENT SCHOOL DISTRICT IMPROVEMENT PLAN
